Publishing Experience

2022 - Current

CEO at Choice Publications LLC

Founder and CEO of a small but growing indie book publisher. Responsibilities include scouting new authors to publish, editing for new books, publicizing, and marketing. Because of the nascence of the press, the work requires an entrepreneurial spirit, tenacity, and proficiency in all aspects of the Publishing industry, from executive management to skill and fluency in MS Office and Adobe Creative Suite.

2024 - Current

Publications Specialist at Wow Media Content Group

Internship program at Wow Media Content Group. Responsibilities include serving as lead editor for their imprint, Fina Press, towards a new book acquisition. This involves regular meetings with the author and the company CEO to edit, design, and market a new book to be released in the summer of this year.
